

Nezinscot Farm Catering

Brunch Options

Brunch & Breakfast

For brunch catering, we normally do smaller versions of our muffins, scones, cinnamon rolls, bagels, and doughnuts accompanied by our jam, cream cheese, and additional condiments. We can also do mini quiches (\$3) and fruit salad to accompany the pastries.

For wraps we can do a variety of vegetarian, egg, and meat options on tomato and spinach wraps (10"). Scrambled eggs (breakfast wrap), chicken, smoked turkey, hummus, or pesto, all with cheese and lots of vegetables as well. You can let me know if you want some vegan and GF options as well. Each wrap is typically enough for 2 people with men probably eating a whole. They would be cut in half for better displaying.

*****All prices subject to change based on customizable requests. Call or email to get a quote.***
